Volunteer for Finance Committee

Thank you for your interest in becoming a volunteer with Lake Village Finance Committee. The Finance Committee performs accounting and bookkeeping to keep track of all the money coming in and out of the Association's bank accounts. They review and monitor financial statements, bank reconciliations, insurance policies, reserves, and investments to ensure that everything is in order. A member of the Finance Committee assists the Board Treasurer with financial oversight of the organizations budget. The committee serves to ensure the organization is operating with the financial resources it needs to provide programs and services to the community.

Being a good committee member means being able to balance a vision for the long-term financial success of the Association along with the ability to take care of the everyday small detail while being extremely organized. A member should possess a strong moral compass and have a heart for the community. If you love our community and are committed to the health and success of the Association, you will enjoy being a member of the Finance Committee.

Upon completing the Volunteer Application below, e-mail to Stephanie Biggs, Keystone Pacific at sbiggskeystonepacific.com. We will quickly contact you.
